WFS WINS FIVE NEW CARGO HANDLING CONTRACTS IN FRANCE

Worldwide Flight Services (WFS) has been awarded five new cargo handling contracts by passenger and freighter airlines in France.

Four of the contracts cover Paris CDG as well as handling at WFS' other 11 cargo stations across France. Vietnam Airlines has renewed its cargo handling agreement with WFS, while CAL Cargo Airlines has appointed WFS to provide receiving points for cargo which is then trucked to Belgium to connect with its Boeing 747 freighter services ex Liege. WFS has also won contracts for the whole of France from the Moldovan airline FlyONE for freight carried onboard its weekly Airbus A319/320 flights to Chişinău International Airport as well as from the Italian carrier, Meridiana.

Air France has also chosen WFS as its cargo handling partner at three airports in France; Lyon, Toulouse and Nantes.

Stephane Scholving, WFS' Director of Cargo Sales Europe, said: "These contracts reflect the size and diversity of our cargo operation across France.

We are proud to be increasing WFS' relationship with Air France and to be the preferred handling partner of all-cargo and passenger airlines from Vietnam, Israel, Moldova and Italy. Our highly experienced cargo teams across all of our French stations will ensure we provide the quality of service as well as the high standards of safety and security each of our new customers needs to support the growth of their businesses."
