**Notes:**

- All charges are shown in EURO and are subject to change or alteration without prior notice.
- All charges are raised on the chargeable weight of the Master Air Waybill. Where consignments are received split or part delivered, storage charges will be applied to each part with applicable minimum charges.
- Delivery at House Air Waybill level will only be by arrangement prior to arrival at the station of destination. The Additional Services fee will be applied at Master Air Waybill level. Handling charges are raised on the chargeable weight of the Master Air Waybill, applicable at House Air waybill level. Storage will be applied from first part arrival with applicable minimum charges.
- Storage is determined from when the freight is received (NFD time) at WFS facilities. Receipt time is automatically notified via email for all consignments. It is the responsibility of all agents to register and keep up to date email addresses for receipt of email notification. To register for email notification please contact your local office.
- Security screening charges are applied at the rate of the method most appropriate for screening and at the full chargeable weight of the air waybill. For High Risk cargo (SHR cargo), charges are applied to each method used for screening and at the full chargeable weight of the air waybill.
- Air Waybills with over 5 pieces requiring ETD will be billed €4.25 per piece plus €0.218 per kilo charge.
- Consignments requiring breakdown to item level for x-ray screening will be charged x-ray screening charge plus break/build charge.
- Consignments received but subsequently withdrawn from export will be charged an additional service fee plus full applicable handling charge.
- For normal hours of operation please refer to our website [www.wfs.aero](http://www.wfs.aero). Delivery or collection outside the normal hours of operation is by arrangement only and will be charged at a minimum of the Additional Services fee.
