1.20. STORAGE CHARGES

Rates are per day or part thereof.

All charges are raised on the chargeable weight of the Master Air Waybill and are applicable at Master Air Waybill and House Air waybill level. Storage will be applied from first part arrival with applicable minimum charges. Where consignments are received split or part delivered, storage charges will be applied to each part with applicable minimum charges. Storage is determined from when the freight is received (NFD time) at WFS facilities. Receipt time is automatically notified via email for all consignments. It is the responsibility of all agents to register and keep up to date email addresses for receipt of email notification. To register for email notification please contact your local office.
