WFS GENERAL TERMS AND CONDITIONS OF SALE

Article 1 - PURPOSE AND SCOPE

The purpose of the present General Terms and Conditions is to govern the contractual relations between an Instructing Party and WFS, with regards to any undertaking or transaction pertaining but not limited to ramp services, cargo and mail services, support services and any other logistic services provided by WFS. The General Terms and Conditions prevail over any other general or special term and condition issued by the Instructing Party. Where special terms and conditions are agreed with the Instructing Party, and unless otherwise provided, the General Terms and Conditions are applicable.

Article 2 - PERFORMANCE OF THE SERVICES

The Instructing Party shall issue all necessary instructions in due course to WFS for the performance of ramp services, cargo and mail services, support services, and any other logistic services. Unless otherwise agreed between the parties, WFS is not required to verify documents (commercial invoice, packing note, etc.) provided by the Instructing Party. Any delivery-specific instruction (payment on delivery, declaration of value or insurance, special interest in delivery, etc.) shall be made in writing in a duplicated order for each service and shall be expressly approved by WFS.

Article 3 - OBLIGATIONS OF THE INSTRUCTING PARTY

Declaratory Obligations: The Instructing Party shall be solely liable for all the consequences resulting from any failure to perform the duty of information and declaration regarding the specific nature and the specificity of the goods where the latter require specific provisions, including their value and/or any covetousness they may cause, as well as their dangerousness or fragility. The Instructing Party shall be solely liable, with no right of redress against WFS, for any consequences resulting from erroneous, incomplete, unenforceable or delayed declarations or documents, including but not limited to the information needed for the provision of any declaration required by customs regulations, notably for the transportation of goods shipped from third countries.

Customs formalities: The Instructing Party shall hold the WFS customs representative harmless against any financial consequences arising from erroneous instructions, unenforceable documents, etc., generally leading to the payment of additional duties and / or taxes, freezing or seizure of the goods, and fines etc., to/by the relevant public authority. If the goods are customs cleared under a preferential status that was entered into or granted by the European Union or any other countries custom's authority, the Instructing Party guarantees that it has taken all the steps pursuant to customs regulations, to ensure that all conditions for the preferential status process have been fulfilled. WFS shall not be liable for any goods failure to comply with the said quality or technical standardization rules.

Article 4 - LIABILITY AND INSURANCE

For any evidenced prejudice attributed to the WFS, the latter shall only be liable for damages foreseeable at the time the contract was signed, and which are an immediate and direct result of a breach of agreed services. In no event shall WFS be liable to the Instructing Party for any loss of profit, loss of use, loss of goodwill, loss of reputation, loss of revenue, loss of anticipated savings, loss of business, loss of contract, or for any incidental, special, indirect or consequential loss or damage, or punitive, exemplary or non-compensatory damages, incurred or sustained by the Instructing Party arising out of or in connection with WFS's performance of the services. Damages are strictly limited to the amounts set forth hereunder.

The liability of WFS is limited to that incurred by the substituted parties in the framework of the operation entrusted to WFS.

Unless the Parties agreed otherwise, where WFS's personal liability is incurred, for any reason and in any capacity, it shall be

strictly limited for damages to goods attributable to losses and damages during the operation, and any consequences resulting thereof, to €20 per kilogram of gross weight of missing or damaged goods, without exceeding, regardless of the weight, volume, sizes, nature or value of the respective goods, an amount exceeding €750 per disputed package or unit load with a maximum amount of €60,000 per event.

Should WFS's personal liability be incurred for any other damages, the compensation owed by WFS shall be strictly limited to the price of goods transportation (exclusive of duties, taxes and miscellaneous costs) or to that of the service leading to the damages as provided under the contract. Such compensation shall not exceed that which is owed in the event of goods damages or losses.

WFS is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which WFS operates and is engaged.

Article 5 – PAYMENT TERMS

Services shall be payable cash on receipt of the invoice, where the invoice is issued, and in all instances, within 30 days as from the issuing date. The Instructing Party guarantees the settlement thereof. Any invoice received shall be disputed, in total or in part, within 10 calendar days of its receipt. If only part of the invoice is disputed, the non-disputed part shall be paid as per the present terms and conditions.

All payments shall be done by direct debit or bank transfer and without set-off, counterclaim, reduction or diminution of any kind or nature. No discount shall be granted for any early payment issued before the due date as appearing on the invoice.

Any delay in payment shall automatically entail, on the day following the settlement date as appearing on the invoice, late payment penalty fees.

For any late payment, the defaulting party shall owe late payment fees at the legal interest rate defined by the European Central Bank plus 8 points of percentage, as well as a fixed recovery costs indemnity of 40 (forty) Euros, as defined by the Law of December 13th, 2012 amending Book 6 of the Civil Code, enacting the UE Directive 2011/7/EU of February 16th, 2011.
